

GROUP CLASSES

AT

LIVE MUSIC CENTER

GROUP GUITAR CLASSES

Saturdays starting April 12th, 2008

For kids or adults, this class will teach students how to tune the guitar, develop note reading and tablature reading skills, and will give students the opportunity to experience ensemble playing. Space is very limited!

Discounts on guitars with class enrollment

\$75 per six week session

\$65 for Live Music Center students currently enrolled in private lessons.

GROUP THEORY CLASSES

Mondays and Tuesdays - Please call for dates and times

Theory 1 is a beginning music theory class for all ages. Topics include note names, basic rhythms, and ear training fundamentals.

Theory 2 continues with key signatures, scales, and syncopated rhythms.

Theory 3 discusses college level theory topics including minor scales, transposition, complex time signatures, and triads.

Theory 4 starts students writing and arranging their own chord structures, melodies, and harmonies.

\$60 per eight week session

FREE to Live Music Center students currently enrolled in private lessons.
